MISCELLANEOUS ADJUSTMENTS

- **Health and Safety** – Clarifies the Employer’s obligations in the event a licensed supervisor is required to undergo a medical evaluation.
- **Medical Leave of Absence** – Consistent with other bargaining agreements, requires a disabled employee to exhaust only all sick leave benefits before eligibility for a medical leave of absence.
- **Paid Time Off** – Consistent with most bargaining units and employee groups, LELS agreed to adopt the County’s PTO leave plan as an option for existing members. This contract will also be the first of two contract that requires anyone entering the bargaining unit to participate in PTO.
- **On-Call Status** – Increased to the monthly stipend for 24/7 availability requirement.
- **HCSP contributions** – Consistent with the economic pattern settlement, the County contribution will be paid annually in February based on the length of service level to be achieved in December of the same calendar year. This change provides administrative convenience over providing contributions on individual employee anniversary dates throughout the year.
